## BUDGET COMMITTEE

There is a vacant seat on the Fremont Budget Committee due to the resignation of Keith Stanton. Anyone interested in serving on the Fremont Budget Committee for the balance of the year (until the March 2009 election, at which time a two year seat will be open) should contact the Budget Committee through the Selectmen's Office at 895 2226. The Committee meets next at 7:00 pm on Wednesday September 3, 2008.

The Budget Committee schedule at this time includes meeting every Wednesday from September 3 to November 12, 2008 at 7:00 pm at the Fremont Town Hall, main floor meeting room. Additional meetings for review of the school budget will be established.

You can submit a letter of interest to the Budget Committee, mailed care of the Fremont Town Hall, PO Box 120, Fremont NH 03044-0120 for their consideration. Please indicate your interest and pertinent background information that make you a good candidate for the position.

## TRASH & RECYCLING INFO

The cart system was implemented on July 1, 2008. Please keep in mind that your cart should face the road (with the metal bar and serial number facing the street) and the wheels away from the road. You should keep five (5) feet from any other object, including fences and your recycling bins. Also be sure you are away from mailboxes to avoid disruption in your mail service. The toter cover must be closed.

Additional recycling bins are in at the Town Hall. You can come by during any of our open hours on the main floor, to pick one up. You can also use a laundry basket or Rubbermaid-type tote in the meantime. Many people are also using their old trash cans for recycling. Please be sure it is clearly marked as a recycle can and placed five (5) feet from your cart on collection day.

One of the goals of the cart system is to encourage more recycling. If you would like to consider composting as a way to remove more from the waste stream, please check the Town's

website at [www.Fremont.nh.gov](http://www.Fremont.nh.gov) on the Recycling page and read the NRRA composter information sheet. If you need any of the flyers, they can be downloaded from the same site, or you can call or come by the Selectmen's Office to get them. **Watch for updates on the website. Also check there for information on delays or changes in pickup service, including on days when the weather is inclement.**

Thank you very much for your patience and cooperation as we continue to work through these changes.

### \*\*\* RECYCLING TIPS – DID YOU KNOW?

1. The reason for removing caps from bottles before putting in your recycling container is for two reasons (1) they are not necessarily a #1 or #2 plastic, and (2) bottles may explode during the recycling process; creating a hazardous work environment.
2. Waste Management will not take corrugated cardboard that is bigger than 4' x 4' -- please cut down large pieces to properly fit in the recycling truck.
3. Your outgrown clothes can be worn by somebody else? There are Planet Aid bins, located at the Town Hall and Safety Complex, and a yellow "Public Clothing Drop Bin" on Route 107 near Action Auto. Or visit <http://freecycle.org> - a non profit, grassroots movement of people who give away items for free to

interested individuals in their surrounding communities...."it's all about reuse and keeping good stuff out of landfills."

## OFFICE CLOSURES

All Town Offices will be CLOSED on Monday September 1, 2008 in observance of Labor Day.

The Building Inspector will be out of the office from September 1 to 5. He will return for normal hours on Monday September 8, 2008.

Permit information can be obtained in the Land Use Office during regular hours. Please be sure to plan accordingly.

**Trash and Recycling pickup will be delayed one day. Thursday pickup will be Friday 9/5 and Friday pickup will be Saturday 9/6.**
